Dear Dewan

I mentioned to you about a question being my pay & you seemed rather surprised at the question being raised by the Residency I send you overleaf a copy of the D.O letter I have received from the R. about it, showing that some reference has been made by "the Darbar." Whether that may mean - I know from by [illegible] that it is an extremely elastic term - anyhow there it is

My dear Dewan,

I mentioned to you casually about my stay & this deputation with H.H. as I feared that there would be complications which, as I anticipated, have arisen! — I dont know what on Earth they are doing about my pay, the Residency writing at one time one thing - and the Comptroller making deductions on the other which I really cannot understand - The fact is my pay & allowances are an exceedingly simple calculation. Col Smyth drew Grade pay as an Aty Sargn 1st Class of 16 yrs service which is Rs 1350 plus charge (Mysore) allowance of Rs 500 making a total of Rs 1850 - more or less

as simple except that I am a major of over 3 years standing (in fact now of over a year of the rank of Lieut Col) which, according to the same rules (vide Schedule A - I.M.S Warrant of 1904 a copy of which I have in my office) carries with it a Grade Pay of Rs 950 p.m. & with the usual Rs 500/- monthly allowance equals Rs 1450 p.m. - which is simple enough.
The fact of my having gone on deputation with H.H. the Maharajah should not of course be any source of loss to me, on the contrary, I like to think that you will see fit orders issued very speedily stating that my subordinate Dr Ramchandra Rao was to draw the full Rs 500/- allowance but curiously enough nothing was said about me at all! I fail to see why if orders were to be carefully issued about one that they should not have been issued about the other. Now my contention is that as my subordinate was allowed to

draw the Whole of my allowances while off[illegible] me
I am in ordinary Justice for the full period of
absentee
that I certainly entitled, besides my Grade having to
draw the full pay of the Durbar Physician, which
work I am doing at the time & for which I am
not paid - nor expected to do - as my appointment
was distinctly communicated home by the Govt of
India as Sir Jung & Sahib Lowe with respect to
as you know moreover there is little prospect
& work for a separate Officer as Durbar Physician.
If my subordinates are entitled to draw their
allowances I most certainly am also, & I feel
sure it is not the intention of H.H. the
Maharajah that I should be in any way the
loser by his having asked me to go in medical
charge of him & his suite on tour
During the constant transfers of special duty
deputations over Salary affairs get into a
great state of muddle & I am in such of

constant of having to write & be worried by the
busy people with all sorts of low minded rumours on
the subject & I shall feel very much of
liged by you if you will give some definite orders on the
subject at a very early date I am officially
putting in an official application for an
extra allowance for the deputation duty which
I distinctly think I am entitled to under the
circumstances, & I feel sure you will on consi
ering the facts, I have brought before your
notice in this letter

As regards your local allowance while you were with H.H. during his tour I find that no Comptroller has passed it to in[illegible] who acted in your absence under the ordinary rules of the M.S.R. & on the analogy & strength of an order which related to Brs.
